A Neigh-boring Event to Help Youth

Marion's Annual July 4 Horse Show

By Jennifer J. Ouellette

Many visitors from numerous states came to the 49th Annual Marion Horse Show, held at Washburn Memorial Park. According to publicity spokesperson for the show, Colleen Gifford, the traditional July 4 competition is one of the largest in New England.

The announcer — Frank Medeiros from Tiverton, RI — began the day by announcing the first of 57 equestrian events while the town-sponsored holiday parade passed nearby. Once the parade passed and the sun finally stopped hiding behind rain clouds, it made a beautiful day for the show.

Riders of all ages were dressed in their riding gear, awaiting the call for their class. The older riders' fears were hidden by excitement, while some of the younger riders were close to tears from overworked nerves. Before entering the rings the participants were heard discussing misbehaving horses, riding gear that didn't fit correctly, and whether or not they missed the call for their class. However, once the riders were in the ring, faces were proud and determined. The horses were led around the ring and judged by Jody Lasalle from Woodstock, Connecticut in Ring 1 and Diane Sheehan from Willington, Connecticut in Ring 2.

Although horse competitions occupied the majority of the day, there were other entertaining events. At lunch time, a four-member drill team from Paglia Unlimited in Littleton, Massachusetts performed under the instruction of renowned trainer Paula Paglia. The demonstration was choreographed and the music was selected by the students. In front of the two arenas were games, a dunk tank, a raffle, and a food stand. All of these events were run by local youth groups, including:

ORR's Class of 1997 (Food Stand); ORR's Class of 1998 (Popcorn and Cotton Candy); ORR's Class of 1999 (Raffle); Mattapoisett Congregational Pilgrim Fellowship (Games); Mattapoisett Tails and Trails 4-H Club (Ring Help); Wareham Boy Scout Troop #39 (Parking); Marion Boy Scout Troop #32 (Dunk Tank); Girl Scout Cadet Group (Punch Board); Rochester Girl Scout Troop #165 (Concession Stand); Charles R. Washburn Trust (Facilities).

Profits from the Horse Show were divided up between the aforementioned youth groups as well as to provide funding for the upkeep of Washburn Memorial Park. Following are area participants and their respective awards/ribbons:

Mattapoisett Road Race Results

By Dionne F. Richmond

It was a gorgeous day in Mattapoisett, as neighbors held out their hoses to cool down the 699 runners on the fourth of July. People from all over came to race in the charming town, with a record turn-out of runners. People from the tri-town area, Fairhaven, Acushnet, New York, New Jersey, Maine, Pennsylvania, District of Columbia, California and

all over New England ran the five mile race which started and finished at Shipyard Park.

This year, the Mattapoisett Road Race is 26 years old making it one of the oldest as well as the finest road races in the entire state. As a direct result of the growing success and the support of sponsors, the race committee has selected five 1996 graduates of Old Rochester Regional High School as race award recipients. Each recipient will receive a $1,000 cash award upon successful completion of her or his first semester of the freshman college year.

Mattapoisett Triathlon to be held Sunday

By Kenneth J. Souza

This Sunday morning, beginning at 8:00 am, an estimated 100 participants will alternately swim, pedal and run the gauntlet ... in this case, a not-too-easy course through the streets of Mattapoisett to help kickstart the week-long Harbor Days celebration.

The traditional Mattapoisett Triathlon, sponsored by the Mattapoisett Lions Club, initially started as a simple test of endurance between several town residents some 10 years ago, according to race coordinator and Lions Club president, Dr. Jeff Swift. Now it has grown into something more — a badge of honor for fitness fans and a heralding of waterfront activity in and around Mattapoisett

Harbor.

The annual event — which is limited to 125 entrants — begins at the Mattapoisett Town Beach with a quarter-mile swim which circles around back to the Town Wharf.

Once there, racers mount their bikes for a 10-mile course which veers left up Water Street, up Main Street, across Route 6, turns left onto Acushnet Road, passes over Route 195, turns left again up Acushnet Road to Tinkham Town, right onto Long Plain Road, returning back via the same route.

Lastly, participants dismount from their bikes

at the Town Beach and embark on a 3-mile run down to the Ned's Point Lighthouse, back up Ned's Point Road, turns right onto Old Marion Road, takes a left onto the Church Street extension to Route 6, turns left down Main Street to Water Street, and returns to the Town Beach for the finish line.

"It's a fun course ... and it's very challenging," Dr. Swift said.

Dr. Swift also said he expects several last-minute entries as he does every year. He also noted that the entire event should wrap up around 12:00 noon. There is a $20 entrance fee for individual racers, $30 for any team entries. Participants are asked to sign in by 7:30 am.

All proceeds will benefit the Mattapoisett Lions Club charities, one of the biggest sponsors of Mattapoisett's annual Harbor Days celebration. For further information and last minute details on the triathlon, please call 758-3666.

Mattapoisett Selectmen's Meeting

July 9, 1996

By Dionne F. Richmond

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, July 9 at 7:00 pm by Chairman John DeCosta. Also present were Selectman Paul Lambalot, Selectman Michele Bernier, and Secretary Melody Pacheco.

The Board began the meeting by signing two special one day licenses for the Fairhaven and Mattapoisett Clambakes. They also approved a petition from Com/Electric for two proposed joint pole locations and the removal of two existing joint pole locations on Dexter Lane.

Meetings throughout the week include Firefighter One Night at the Knights of Columbus on Saturday, July 13 at 6:00 pm. The night is set aside each year to welcome new firefighters to area Fire Departments and to honor firefighters whom have put extra effort into their departments by improving their professional skills and knowledge. According to Fire Chief Ronald Scott, fire departments need to recognize the need to address health and safety issues prior to firefighters entering the fire grounds.

Safety issues are now addressed by the National Fire Protection

Association, Massachusetts Fire Fighting Academy and Local Fire Departments. This is a two-step program, consisting of Firefighter I and Firefighter II. This year Firefighter I and II program was co-sponsored by the Mattapoisett and Fairhaven Fire Departments. Chief Scott of Mattapoisett and Call Captain Joseph F. Dawicki III of Fairhaven have worked together for the past three years presenting the Firefighter I and II program, with each year adding curriculum and exceeding the program outline. Seasoned Firefighter helped including Dennis Tripp, Carl Reusch, David Scott, James Gracia, Court Piehler and Lee Jones from Mattapoisett. Retired Lt. Earl Faunce, Deputy Chief Tim Francis, G. Gourne Knowles IV, Tammy Pimental, and Kevin Polson from Fairhaven also helped.

The following Firefighters should be commended for their effort and dedication by completing both Firefighter I and II programs: James Gracia, David Scott, Ronald Scott, Carl Reusch, Dennis Tripp, Court Piehler, E. Robert Garde, Walter Morgado, William Nicholson, Keith Oliver, David Peterson, Daniel Reush Sr., Albert Sylvia and Dana Tripp from Mattapoisett. Fairhaven Firefighters Timothy Francis, G. Bourne Knowles, Kevin Polson, Jerald Bettencourt, Wayne Fostin, David Gordon, Robert Perry, Brian Riggs and Thomas Thatcher. Steve Rodriquez of Marion was also commended.

At 7:10 pm Betty Barrows met with Selectmen to request them to erect signs that read "No Dogs Allowed" at Aucoot Beach and Shining Tides Beach. She witnessed a dog fight, and at least six dogs on the beaches over the weekend. Selectmen said they would dig up some old signs in storage at the town hall and ask Natural Resource Officer Brian Nunes to put up the signs. Selectman Bernier also wanted to remind the public there is a "pooper-scooper" by-law which was voted for at the 1994 Town Meeting.

Selectmen asked Ms. Barrows to let them know if the signs work once

The Board also received correspondence for the week which included:

• A letter from the Plymouth County Commissioners regarding the Pilgrim Health Care-Self Insurance.

• Correspondence from the Department of Utilities for an initiative that is underway in the Commonwealth to change the way in which electric utility companies do business.

• Notice from the Massachusetts Municipal Association informing the Board to oppose any attempt to override the governor's veto of two sections.

• A letter from Senator Marc Pacheco informing the Board that they were successful in their efforts to obtain federal reimbursements for the costs incurred during Mattapoisett's snow emergencies this past winter. They will receive a $12,937 reimbursement check from the Massachusetts Emergency

Management Agency.

• The Police Department will hold an auction to dispose of all bicycles on July 27 at 10:00 am at the Police Station.

• Request from Police Chief James Moran for approval to submit the application forms for the U.S. Department of Justice, "COPS," Universal Hiring Program. This is a federal grant that will pay up to 75 percent of the total salary and benefits of a new officer over a three year period, and up to $75,000 per officer over the three years with the remainder paid by the town.

Chief Moran wrote that he brought this matter to the Selectmen's attention because of the problem the department is having with the 12:00 am to 8:00 am shift. He said there is a need for a third cruiser officer when there is an ambulance run and two officers must leave town and respond to mutual aid with another town for police service. The cost to the town with base salary and a full benefit package would be about $14,000 over the three years. Selectman signed the application forms.

• The Vice President from the Mattapoisett Police Brotherhood, Jason King submitted a letter asking for an additional day off to compensate for the day given to all other town employees on July 5, 1996 due to the July 4 holiday. Selectmen took the issue under advisement and will consult with Chief Moran on the matter to find out if it's in the department's budget.

Under the executive secretary's report Selectmen discussed repairing the float. Chairman DeCosta said two of the beach directors informed him the float could be fixed but Harbormaster Steve Mach informed him there is extensive damage to the float. Selectmen voted to find out a cost estimate to repair the float from an outside source.

Mr. Nunes will also have someone from the Marine Fisheries and Woods Hole visit the Town Wharf for technical assistance regarding the odor there.

Ms. Pacheco also noted that interested residents can sign up for swimming lessons at the Town Beach any day from 9:30 am until 4:30 pm. The Board unanimously voted not to charge non-residents for parking at the Town Beach during Harbor Days.

The Building Construction and Renovation Committee is still seeking participants. Those interested should contact the Town Hall.

A CHAIN REACTION

Do you remember everything that went on when you bought your present home? As the hypnotist says, "clear your mind and think back." In case you forgot, you probably had to sell your old home before you had the funds to buy the present one. The seller was probably in the same boat. Everything had to be in place at the right time and probably some time adjustments had to be made.

What most home buyers and sellers may want to forget is the frustration that went on. Buying or selling a home (usually both) is often a chain reaction. We'll help choreograph the timing, financing and other details it takes to get all the pieces to fall in place. In other words, we'll act as the middleman.

Unless you're extremely lucky, as a seller you're going to be dealing with a buyer who has to sell his present home before he can buy yours. That's no trouble for us. That's what we do best.

Call Bruce today with any of your Real Estate questions or needs. We're here to help!! 758-6738.

At 7:30 pm the Board met with Attorney Donald Fleming to discuss a by-law regulation study committee and a Town Planning committee. The Town Planning Committee would consist of three different committees--Demographics Committee, Land Use Committee, Capital Needs Committee and an Oversight Committee.

The By-Law and Regulation Study Committee would consist of four committees--Zoning Board of Appeals, Board of Health, Planning Board and ConCom.

Mr. Fleming said these boards would report to the Board of Selectmen and then the Board would inform Town Meeting. He said the local townspeople should give their input and support instead of outside agencies. Selectman Bernier asked him to serve on the Master Plan Committee as well.

Selectman Lambalot said the response has been poor to openings on town committees. Mr. Fleming said he could think of 10 people who would be willing to sit on one of the committees. Selectman Lambalot asked him to come back next week to give the Board an opportunity to digest the information.

There being no further business for the Board to discuss, they voted to adjourn at 7:45 pm.

Marion Selectmen's Meeting

July 9, 1996

By Kenneth J. Souza

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, July 9 at 7:00 pm by Chairman Jonathan "Jody" Dickerson. Also present were Selectman Albert E. Winters, Selectman Loretta B. Schaefer, and Secretary Helene Craver.

After approving the minutes of the June 25 meeting and signing treasury warrant #54 for the week, the board unanimously voted to appoint Selectman Dickerson to the Building Renovation Committee.

The board next discussed the matter of late fees for moorings in Sippican Harbor and the confiscation of moorings from several offenders. According to Chairman Dickerson, the board received seven requests for

hearings to appeal the confiscation of their moorings. "Last year (the board) decided that reminder post cards would be sent out as a second notice," Chairman Dickerson said. "They were sent out last year but were not this year."

Selectman Schaefer said she felt taking the moorings without a second notice was extreme. "I stated (at the last meeting) that I felt confiscating (them) was inappropriate punishment," she said. "I feel we should have the seven offenders pay the ($100) late fee and return their moorings to them."

Selectman Winters agreed this seemed to be a reasonable solution. "I think we can certainly do our part to maintain a fair and workable procedure," he said.

Though Chairman Dickerson said he was against sending out the second notices last year, he will abide by the will of the board. They

unanimously voted to return the moorings to the seven people and assess them only the late fee.

"I hope, in turn, people realize these moorings are precious commodities ... there is a long list of people waiting to get a mooring (in Sippican Harbor)," Selectman Schaefer said. "But since we didn't follow-through this year, I don't think these people should be unjustly penalized." Selectman Schaefer also asked that a letter of explanation be sent to the seven who requested appeal hearings on this matter.

Chairman Dickerson next noted they had received a letter from Dennis Luttrell, requesting that the $100 late fee which he previously paid be returned. Mr. Luttrell challenged the authority of the Board of Selectmen to charge the late fee and felt he should be reimbursed.

Chairman Dickerson said he consulted with Town Counsel on this matter, and he was advised that the board can assess a late fee as long as it didn't exceed the actual fee amount plus any incidental charges incurred (such as billing, confiscation of moorings, and the like). Chairman Dickerson said the $100 late fee does not exceed said expenses. With that, the board unanimously voted to deny Mr. Luttrell's request.

Under incoming correspondence for the week, the board received:

• Notice from Senator Marc Pacheco that the Town of Marion will be reimbursed $12,629 from the Massachusetts Emergency Management Agency (MEMA) for snow removal expenses last winter.

• Request from Ted Babbitt, Chairman of the New England Optimist Championship, which will be sponsored by the Beverly Yacht Club and held in Marion on July 28 through July 31. Mr. Babbitt wanted to know if 75 temporary parking permits could be issued for "daytime only" parking during the dates of the event. Chairman Dickerson noted that Police Chief Brian Scott had no objection to these permits, and the board unanimously approved Mr. Babbitt's request.

• Request from Herb Borden of the Beverly Yacht Club to hold a Buzzards Bay Regatta on August 2, 3 and 4 and use the facilities at Island Wharf and the town bandstand for launching and storage of boats. Mr. Borden checked with Police Chief Scott, Harbormaster George Jennings, and Executive Secretary Ray Pickles regarding the event. The board unanimously

granted his request for this biannual event.

• Recommendation from Police Chief Brian Scott that two signs be erected on Holmes Street opposite Pawkechatt Way. Chief Scott recommends that "no parking between signs" will prevent people from parking in the area and increase visibility for oncoming traffic. The board unanimously approved the Chief's request.

• Request from Richard D. Cutler, Rochester Water Commissioner, for the Rochester Lions Club to connect to a fire hydrant for their annual carnival, which will be held across from the Rochester Town Hall from August 7 through August 10. The board unanimously approved Mr. Cutler's request.

• Notice from David P. Sampson, Superintendent-Director of the Upper Cape Cod Regional Vocational Technical High School, advising the board that the town's previous assessment of $71,135 has been recalculated for fiscal year 1997. The town now owes $72,620, which is payable in four installments of $18,155.

• Letter of thanks from Llewellyn V. Roberts, Chairman of the ORR School Committee, for the town's supporting of the track facility at the high school. Chairman Dickerson added that it is really the townspeople of Marion who should be thanked for approving the project.

• Notice from the Department of Public Utilities (DPU), advising the board that a restructuring proposal is in place to change the way electrical service is provided to communities within the Commonwealth. Under the DPU's current schedule, as of January 1, 1998, local municipalities will be able to select from among competitive utility companies.

Chairman Dickerson noted he had received a letter today from Tim Adams, a member of Marion's Boy Scout Troop #32, offering to construct recycling containers for town as an Eagle Scout project. Mr. Adams read about the board's recent request for assistance in the local newspapers, and offered to build approximately 12 bins similar to the trash containers now scattered throughout the village area. Mr. Adams said he only needed the materials to begin work, and Selectman Winters suggested soliciting building material donations from local vendors.

Local businesses who are interested in supplying the materials to construct the recycling bins are encouraged to contact the Board of

Selectmen's office, c/o Marion Town House (748-3500). "I think it's nice that this whole thing began with a letter from two residents who first recognized the need for recycling bins in town," Selectman Schaefer said.

Selectman Winters then moved that the Board of Selectmen suspend the wearing of neckties for meetings throughout the duration of the summer. The board unanimously approved the motion, at which point both Selectman Winters and Chairman Dickerson removed their neckties.

Chairman Dickerson said he wished to thank everyone involved with the town's recent Fourth of July Fireworks display, especially the members of the Fireworks Committee, the Police Department, the Fire Department, the Harbormaster, and the neighboring towns of Rochester and Mattapoisett for providing backup support during the event. "Everyone did an excellent job this year ... and I heard nothing but good things about the fireworks," Chairman Dickerson said. The board agreed to send letters of appreciation to all those involved.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 7:20 pm. *Note: due to the summer schedule, the board's next regular meeting will be held on Tuesday, July 23 at 7:00 pm.*

Rochester Selectmen's Meeting

July 8, 1996

By Jennifer J. Ouellette

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, July 8 at 7:00 pm by Chairman Lorraine Roy Hawkes. Also present were Selectman David L. Hughes, Selectman Richard D. Cutler, and Secretary Veronica Lafreniere.

The minutes of the July 1 meeting were reviewed and unanimously approved by the board.

At 7:15 pm the board met with Dog Officer Tom Medeiros regarding permission for him to use the police radio frequency band. Chairman Hawkes suggested that the board discuss this issue with Police Chief Walter Denham to see how he feels about adding another user to the band. Mr. Medeiros replied: "When you're out there, we'd have direct communication." This was the reason he was bringing the issue before the board, as the former method of paging or calling him for assistance was not practical.

The board unanimously voted to look at the other two bands available in Rochester to see if the Dog Officer can use one of them.

At 7:30 pm the board met with Jeffrey D. Youngquist to reopen his Earth Removal Permit hearing for High Street Realty Trust. Two weeks ago the board discussed the need to visit the site which required 120,000 more cubic feet of earth removal. The board was able to visit the site and agreed to continue the hearing.

Selectman Cutler began by acknowledging the need for removing the additional 120,000 cubic

engineer could be consulted to review the work and progress. It was motioned that the hearing again be continued until July 15 at 7:30 pm so that the insurance bond can be obtained and an engineer consulted.

The board received correspondence for the week from:

• The Building Department, regarding their new summer hours which are: Monday, 8:00 am to 12:00 pm and 6:00 pm to 10:00 pm; Tuesday, Wednesday and Thursday, 8:00 am to 12:00 pm.

• The Cranberry Country Chamber of Commerce asking to receive agendas and minutes of the Selectmen and Planning Board meetings. The board raised the issue of the legitimacy of the organization, and Selectman Hughes said this would entail "another job" for their office. He motioned that the board table this matter for further discussion.

• The Massachusetts Criminal Justice Training Council regarding Police Chief Walter Denham's completion of the Executive Chief's In-Service Program. The board agreed to place a copy in the Chief's personnel file.

• The Annie Maxim Trust requesting a postponement of any further decisions regarding the Red Cross account. The board previously consulted legal counsel on this subject and the lawyer in charge of this issue is away until July 9. Selectman Hughes moved to hold this matter until the board receives a response.

• Christopher L. Johnson requesting

permission for the "Rodman Ride for Kids" to pass through Rochester via North Avenue (Route 105) and then out of town. The request was unanimously granted by the board and they agreed to notify the police and fire departments of this event.

• Police Officer William Protami submitting his resignation from the Rochester Police Department. Officer Protami has served the Rochester department for six years, but is moving out of the state and will serve his last day on July 19. The board unanimously moved to send Officer Protami a letter of regret and wished to thank him for his years of service and offer him best wishes in

Animal Advice

Jay Gould, DVM

TRAINING YOUR PUPPY

My puppy is 3 months old and still poops in the house. What can I do?

Use a crate. Puppies come to think of a crate as their own room, not a prison. The puppy goes into the crate last thing at night after being walked and is taken outside the first thing in the morning. After each meal the pup goes outside with adult supervision and receives praise after eliminating. The pup should stay in the crate during the day when he is not being played with. He should go outside every 30-60 minutes when he is free in the house. Most dogs are housebroken by 6 months.

When can I start teaching him tricks?

Start immediately! Have a short training session of 2-5 minutes as often as you can. Start with "sit, stay, come" and then add other tricks as you desire.

Dr. Gould can be reached at the Mattapoisett Animal Hospital (508) 758-6400

the future.

• The Southeast Regional Planning and Economic Development District (SRPEDD) submitted notice that they will be holding a Joint Transportation planning meeting on July 10 beginning at 2:00 pm.

• The Police Officer's Association sent notice regarding their 12th Annual Ball, which will be held on Friday, July 19 from 8:00 pm until 1:00 am at the Seaport Inn in Fairhaven.

The board then unanimously voted to sign and approve:

• Police and Fire accident removal for $6,280;

• Voucher for the Cemetery Corporation for $1,640 to care for 164 veterans' graves;

• Payment of $959.96 to Kopelman and Paige for legal services;

• Payment of $31,536 to the Massachusetts Interlocal Insurance Agency (MIIA).

Under Old Business, a motion was made to "drop a note" to Finance Committee (FinCom) members Pat Ryan and Warren Pierce to thank them for their help with the board's negotiations and to inform them of their intent to take care of negotiations from this point on. The motion was unanimously approved.

Under New Business, two letters from Police Chief Walter Denham were received. The first was regarding the resignation of Police Officer William Protami. Chief Denham was looking for permission to seek applications to fill the position smoothly. The motion to advertise for the position was unanimously approved.

The second letter was in regards to the clothing allowance for 1996-1997. Chief Denham said he was unable to pay the bill because of the pending contract situation and requested that the board clarify this matter. Selectman Cutler moved to approve payment of the bills according to the existing contract. Even though their contract with the police department has expired, the tenets of the contract remain in place until a new contract is signed and approved. Last year $300 was allocated for clothing.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:29 pm.

On July 10, 1996, my wife Lorraine and I will finally begin our most thought of dream, retirement.

Even though the store has been sold to a new owner, it will still retain the name of "LLoyd's Market" and two of our most trusted and valued employees will still be here to serve you; Mike at the meat counter, and Vivian as cashier.

It is our hope that you, our most valued customers continue to support the new owner and give him your loyal patronage just as you have done for us over these past 45 years.

We will always remember that the people of Rochester and the surrounding towns made us successful in our growing business and for that we will always be extremely grateful.

Thank you again for 45 wonderful years.

THE TRUTH ABOUT YOUR WINDOWS

1. Windows allow harmful ultraviolet rays to pass thru and cause damage to furnishings, carpets, paintings, wallpaper, draperies, and even your body.
2. Windows allow the heat from the sun to pass thru causing excess energy to be wasted cooling your home.
3. Windows are made to allow visibility outside, but think, how can you enjoy the view if your windows are covered with draperies, verticals or other types of non transparent treatments.

ADDING SOLAR CONTROL FILM

1. Film added to glass reduces 96-99% of U.V. A&B rays
2. Film added to glass reduces up to 70% of solar heat.
3. Film added to glass enables you to enjoy the view.

Letters to the Editor

To The Editor:

To all who responded to help Janet and our family during our recent loss we give thanks. The Emergency personnel and the prayers, love, contributions and cards from so many have helped carry us through this sad period.

Words cannot truly express our gratitude, but we will be ever grateful.

Day" in Marion. The entire community came together to celebrate Mr. Burke's 40 years at Sippican School. In Mr. Burke's honor, a flagpole and a stone to mark the back entrance of Sippican School will be erected during the summer.

The members of the Organizing Committee (Leanne Baarsvik, Danielle Coffin, Tricia Duane, Laurie Farren, Susan Grosart, Marylou Hobson, Christine Payette, Joseph Resmini, Sandi Rosen, and Suzanne White) wish to thank the many people who donated the time, money, and services needed to make this event such a success.

We wish to extend a special thanks to: Senator Marc Pacheco for the citation and for attending; Burr Brothers Boats for the flagpole mast; Sperry Tent for the wonderful "dragon" tent; Town of Marion DPW and Board of Selectmen for work to complete the flagpole; Chester E. Atwood & Son for engraving the rock; Alan Shuman for the magic show; Hannah Moore, Bill Forbush, the Sippican School Jazz Band and Jazz Train for the live music; Joe Mitchell for the taped music; Germaine Krobath for the pen and ink drawing; VASE and the Marion Teachers' Association for their generous monetary contributions; Sandi Rosen and Suzanne White for coffee and paper goods; Phyllis Kantarowski and the students of Sippican School for the centerpieces; VASE parents for the cakes; the custodians for set up and clean up; Jay Crowley, Anne TenBrook and Key Reis for contributions to the keepsake book.

This wonderful celebration for Mr. Burke's dedication to our children was a true community effort. It would never have been possible without every one of you who contributed.

For The Committee
Marylou S. Hobson

To The Editor:

On behalf of the Friends of the Plumb Library and the Board of Trustees, I would like to thank all of those people who helped make this year's Friends book sale a tremendous success. Many thanks to all those who donated books to the sale--your trash is definitely our treasure, and the sale would not have been possible without your donations. Thanks also to all those who came to the sale and took advantage of the great bargains. This year's sale was our best ever, and all proceeds will go to providing funding for library programs, books and library materials, and other worthwhile projects.

Special thanks goes to Lois Gacek, Eunice Jenkins, and Catherine St. John for doing most of the sorting, selling, and lugging of books (Catherine painted the beautiful book sale signs as well). Other helpers include Arlene Carreiro, Tuddie Morse, Donna Resmini, (as well as a few helpful strangers who came to buy books and ended up lugging their share). Finally, Bill Deakin deserves praise for

Humanity announces their first fund raising event--A Tool Sale. A Tool Sale is similar to a yard sale, but we will be selling only tools (any type of tool, from power tools to gardening equipment, ladders to screwdrivers, modern to antique, new or used.) Our sale will be held on Saturday, August 3rd at the Trinity Lutheran Church in Fairhaven from 9:00 am to 3:00 pm. Our priority at this moment--We Need Tools!

This needs to be an across the board effort, all volunteers and members from all committees are needed. We need to begin collecting new and used tools from various sources in our area immediately.

Friends, relatives and neighbors are all familiar and easily approachable potential donors. You may know people who are moving or cleaning out the garage, or perhaps the people who are elderly and no longer use the tools out in the shed, who would welcome someone taking these extra tools off their hands. Every bit helps.

Churches and local businesses will be approached in a more formal manner and we are asking for volunteers to be assigned to these different locations in order to avoid repetition. So if you have contacts in local hardware stores or could act as a contact in your church PLEASE get in touch

Movie Review

ID4: Close encounters of the worst kind

By Rob Gonsalves

• *Independence Day*. Starring Jeff Goldblum, Will Smith, and Bill Pullman. Directed by Roland Emmerich. Running time: 144 minutes. MPAA rating: PG-13. At Cinema 8 in North Dartmouth.

If you've heard Orson Welles' brilliant radio hoax "The War of the Worlds" — which sparked a national panic — you know it's scarier and more exciting (and even more *visual)* than the boring, demoralizing *Independence Day.* The movie arrives wrapped in the biggest "event" hype yet. Forget government conspiracies about aliens — what about the entertainment media's conspiracy to persuade America that this movie doesn't suck?

Independence Day is another retro hunk of cheese from director Roland Emmerich, who co-wrote it with producer Dean Devlin. These men, who also made the hit *Stargate,* have been credited with resuscitating the sci-fi genre. If empty movies like these are what sci-fi needs, it deserves to die.

ID4 (as the ads call it) is abysmally written and indifferently directed, with long stretches of tedium. On opening night, I felt the anticipation of the audience rapidly turning to disappointment.

Like *Stargate, ID4* swipes from blockbusters of recent decades. There are really only two acts: (1) Aliens strike; (2) We strike back. Kaboom! Take that! The aliens, whose goal is simply to kill us, so closely resemble the critters in the *Alien* trilogy that H. R. Giger may have grounds for a lawsuit. Giger will have to stand in line behind Steven Spielberg and George Lucas, from whom Emmerich steals without shame. Suffice it to say that the big alien craft is a Mother Ship Death Star.

ID4 is never more pathetic than when it pretends there are human beings on the screen. Capable actors like Bill Pullman (as the can-do President), Jeff Goldblum (as a computer wonk), and Will Smith (as a gung-ho pilot) seem to be playing action-figure versions of themselves. Goldblum and Smith make an engaging team, but Goldblum recycles his dry inflections from *Jurassic Park* (he even reprises his line "Must go faster"), and Smith's rowdiness is marred by sentiment. Decent female roles? Not in this boys' club. Sigourney Weaver, where are you?

Does the movie deliver? There are perhaps ten minutes of slam-bang annihilation, spread out over a yawning two and a half hours. (Most of the movie is guys pacing and worrying.) *Independence Day* may own the holiday weekend, but I can't see it doing much repeat business. There's no magic in this kind of shallow, adrenalized commerce. Once you've seen the heat-death of an entire city, a jaded numbness sets in. *ID4* goes all the way into video-game nihilism. There goes New York! There goes L.A.! Bang, bang, we're all dead! Isn't this *fun?*

Well, no. Even allowing for my usual crankiness towards these thunderdome movies, the film made me angry. Partly it's because it made the covers of *Newsweek* and *Time* last week, as if it were some Zeitgeist spectacle ("America Is Hooked on the Paranormal") instead of *The Day the Earth Stood Still* on steroids. Mostly it's because its purpose is to deliver a loud, crappy good time, and it fails — it aims low and misses. A movie can commit no greater sin.

In a perverse way, *Independence Day* is encouraging news. The year's worst movie has arrived. They can only get better from here.

This Week's Horoscope

by Linda Black

Aries (March 21-April 19). You'll be easily agitated, so don't do anything stupid. Save your shopping expedition until later and get good deals on items for your home.

Taurus (April 20-May 20). It'll be easy to spend more than you'd planned on romance. Learn lots of new ways to make and save money at a gathering of neighbors.

Gemini (May 21-June 21). Your major focus is money. A friend has financial difficulties. Don't offer a loan — you'll need all your spare change.

Cancer (June 22-July 22). Ignore a rude remark from an older person who's under a lot of pressure. You're applying some of it, actually. You'll win more points later.

Leo (July 23-Aug. 22). Work out. Authority figures are oppressive and inflexible so don't bother to argue. Sleep in and then get busy on your list. Hit it hard and quiet a persistent person's nagging.

Virgo (Aug. 23-Sept. 22). Attend a family reunion. Not only will you have a great time, but you can also come up with a great business idea.

Libra (Sept. 23-Oct. 23). A friend's brusque advice could help you avoid a big mistake. Save as much money as possible — you'll want it for fun and games.

Scorpio (Oct. 24-Nov. 21). Study economics using your own money. If you pass the class, you'll have enough cash for a minivacation.

Sagittarius (Nov. 22-Dec. 21). An inspirational idea helps you solve a financial problem. Concentrate on your work. Toss the ball to a friend in order to accomplish what you need done.

Capricorn (Dec. 22-Jan. 19). Hold your temper or you'll make matters worse. Get a thrifty friend to help you make a wise purchase.

Aquarius (Jan. 20-Feb. 18). Learn a new trick to solve a domestic problem. Make decisions about your home life and/or friends.

Pisces (Feb. 19-March 20). Take care not to lose money. You'll be able to concentrate well, so study tough subjects.

If You're Having a Birthday This Week: You can get a promotion if you can pass the test. Study up. With a good team on your side, you can achieve financial security. Go for it.

our recent moms were adopted and we now have five awaiting a call. They include a very sweet petite short hair tiger with green eyes, a gray and white large angora, an orange and white short hair and two calicos, one of which is already spayed. The other is still remaining with her all white kittens. Mom is extremely affectionate and has a cauliflower ear. There is also one black bob tail neutered male who is a year old.

This week we are featuring a pair of all black female oriental looking short hairs. They were rescued from a garage where the mother had dropped them between partitions while moving

them. They were bottle fed for weeks and are now ready for adoption. We have lots of other adoptable kittens, some all white, others with double paws, calicos and tigers, short hair and very thick and fluffy fur.

They are all vet checked, wormed, and vaccinated, just awaiting the move to a permanent home from one of our many foster situations. We are still in need of more foster homes and of course always need additional volunteers.

Our feature story from the Fairhaven Animal Shelter this week is a very sweet obedient mother dog who has weaned her puppies and is now

Citation Awarded For Best Ongoing Restoration

At the Woodenboat Show held in Mystic CT. over the weekend of June 28, 29 and 30--Triad Boatworks of Mattapoisett was awarded a citation for the "Best Ongoing Restoration of an Historic Vessel."

The award was in recognition for work performed in the restoration of Daisy, a 101-year old catboat built in 1895 by the Herreshoff Manufacturing Co. in Bristol R.I. and owned by Donald Tofias of Wellesley, MA.

This is the second time that TRIAD Boatworks has been singled out for its restoration

materials which will include a reading log, program description, special events calendar and many projects to keep them busy during the summer. Remember, children who can not read can be read to, and older readers get special credit for reading longer books.

This year's theme is "Catch The Summer Spark" and there will be lots of interactive programs to spark the imagination. From puppet making to a magic show to a cookoff, a pet show, an art show, and a talent show, there will be something for children of all ages. for children ages 2-6.

Of course, the most important part of the program is reading. Participants read or are read to throughout the summer, and for each week of reading, there is a small prize. All readers who complete the reading goal will be awarded a final award and reading certificate at the Awards Party in August.

Throughout the summer there will be activities available to take home: coloring pages, puzzles, craft sheets, word searches, and more. Program participants can choose from many discount coupons to area attractions like the New England Aquarium and the Children's Museum. Come join us! It's going to be a great summer.
